Cook time: 12 minutes

Makes 24 cookies

## Ingredients

1 cup (226g) unsalted butter

1 cup packed dark brown sugar

1/2 cup granulated sugar

2 large eggs

2 tsp pure vanilla extract

2 1/4 cups all-purpose flour

1 tsp baking soda

2 tsp cornstarch

3/4 tsp salt

1 1/2 cups semi-sweet chocolate chips

Flaky sea salt, for topping

## Instructions

1. Melt the butter in a light-colored pan over medium heat, swirling, until it smells nutty and brown bits form. Pour into a large bowl and cool for 10 minutes.

2. Whisk in the dark brown sugar, granulated sugar, eggs and vanilla until glossy.

3. In another bowl whisk the flour, baking soda, cornstarch and salt. Stir into the butter mixture, then fold in the chocolate chips.

4. Chill the dough for 30 minutes. Heat the oven to 350°F and line two baking sheets.

5. Scoop 2-tablespoon balls onto the sheets and bake 10 to 12 minutes, until the edges are set but the centers look soft.

6. Sprinkle with flaky sea salt and cool on the sheet for 5 minutes.

Notes: brown the butter slowly — it goes from brown to burnt quickly.
